

“The power of music,
that magician of magicians;
who lifts his wand and says his
mysterious word and all things real
pass away and the phantoms of your
mind walk before you
clothed in flesh.”

“Joan of Arc”, Mark Twain

Ah, where would the soul be without the creative expression of music? Here at the Northridge United Methodist Church we have a deep and abiding relationship with music and this passion enables us to share the love of God. Our musical groups for all ages — bell choirs, worship band, gifted soloists, wonderful directors, excellent organist at the new Schantz pipe organ, and also our Jazz Vespers performers — bless us all with their artistry.

It is from this passion that a new organization was designed to further grow our musical offerings. *Friends of Music* was born in the summer of 2011 and will present concert series to exalt our cause. Our inaugural events are a preamble to a full series we will offer in the fall of 2012, and we plan to continue year after year.

The artists who grace our stage are some of the finest musicians in the world today, and we are honored to have them here at NUMC.

It is our fervent hope that you will become a participant in the musical movement by sharing your support so that we might maintain this high level of talent in the future.

May we all enjoy the magical gifts of music, to stir the soul and lift our hopes.

To God be the Glory,
Rev. Steve Petty, Senior Pastor

A Feast for the Ears and the Heart
Amanda McBroom

Amanda McBroom has been called ... "the greatest cabaret performer of her generation; an urban poet who writes like an angel and has a voice to match". Her name first came to the attention of the music public when she wrote THE ROSE; Bette Midler's version of the song hit number one worldwide in 1979.

Her songs have also been sung by Leanne Rimes, Barry Manilow and Judy Collins, just to name a few.

Growing audiences worldwide are now convinced that the best interpretations of McBroom songs are by McBroom herself and applaud her in concert halls around the world.
